SEROLOGY-VIROLOGY SUBMISSION FORM

Please send submissions to the above address, marked '**Refrigerate on Arrival**'.

For best results serology specimens should be submitted as individual separated serum, or as whole blood in suitable collection tubes. To maximise serum separation, blood should remain at room temperature for at least 4 hours before cooling to 4°C. The APCA laboratory takes no responsibility for results of specimens not submitted under the conditions outlined.

Sample details:

Date collected: _____ Date submitted: _____

Owner: _____ Property: _____

Address: _____

Email: _____ Ph/Fax: _____

Name & address for results notification:

Name: _____
