

THE UNIVERSITY OF
MELBOURNE

U-Vet

VISIT US AT
WERRIBEE
OPEN DAY 2019

Sunday 20 October

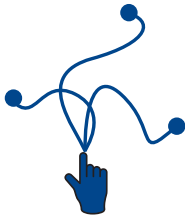

10.00am – 4.00pm

250 Princes Hwy, Werribee

**Free
Entry**

Come and explore the newly redeveloped world-class veterinary education facility, home to the Melbourne Veterinary School and U-Vet Werribee Animal Hospital.

This community event has something for all ages including:

Interactive displays

Learn how our veterinarians diagnose and treat animals, watch educational demonstrations, and speak with student groups.

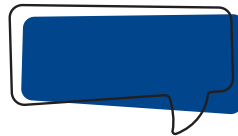

Self-guided tours

Get a behind-the-scenes look at our veterinary hospital's enhanced facilities and our new five-storey, 6 Green Star, Learning and Teaching building.

Fascinating public lectures

Hear from our experts to learn more about pet health, and attend course information sessions.

Course advice

Chat with staff and current students about the Doctor of Veterinary Medicine program and other rewarding careers in agriculture, food science, veterinary nursing and more.

For safety and biosecurity reasons, visitors are not permitted to bring pets.
